

GLOBALTOLOCAL

The Model

1.Listen

2.Scan

3.Design

4.Test

5.Replicate

Listening: Needs Identified

1. Language and Cultural barriers
2. Limited community voice in decision making
3. Difficulty navigating the system
4. Limited economic opportunities

Scanning: What works globally?

1. Community Health Workers
2. Mobile technology
3. Link health with economic development

Community Health Workers

mHealth

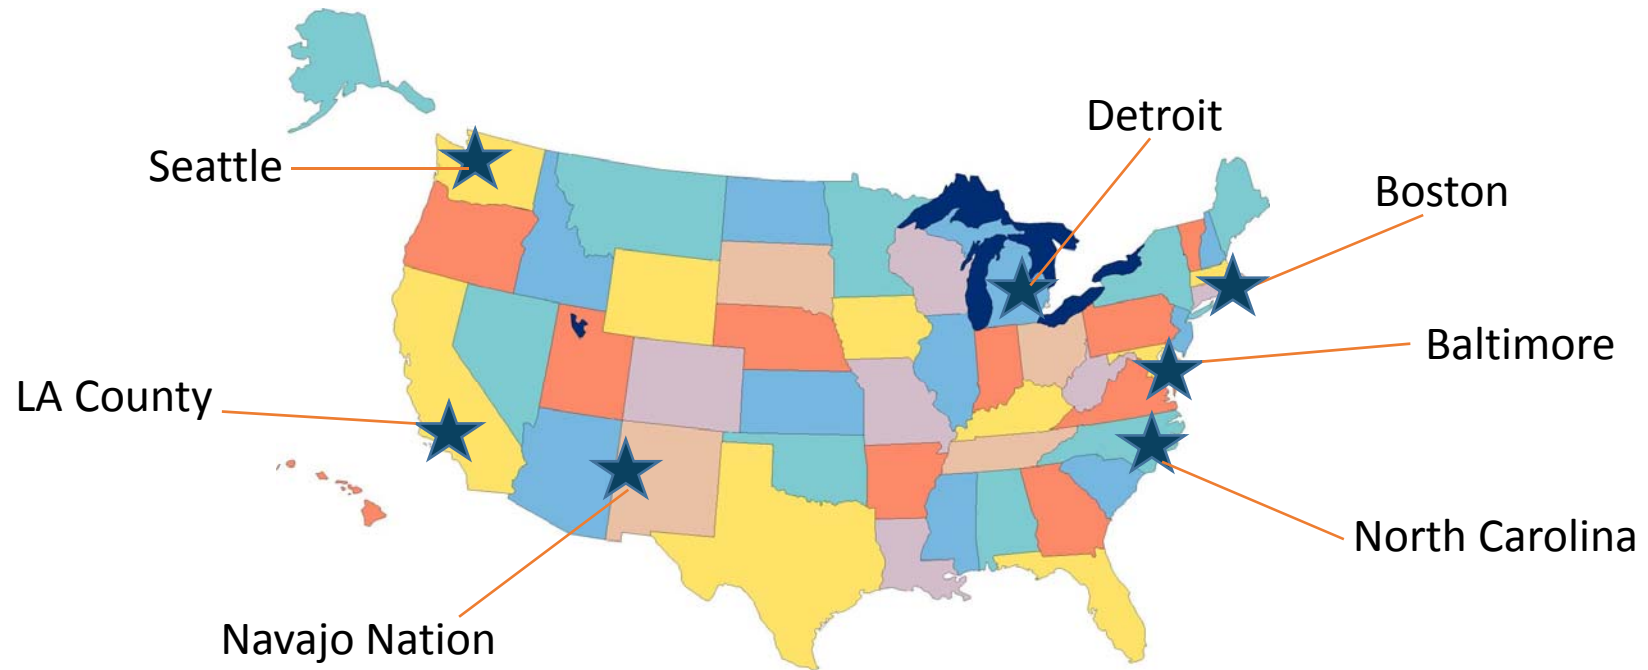

Health & Economic Development

Next steps: Building a collaborative
